IMPORTANT!!!

This is only the first volume of Daggerfall Xtra Quests! If you have made any cool quests, and want to get them on the web, send them to me! My address is at the bottom of the file.

ERRORS

If you find an error with one of the quests, TELL ME! It won't get fixed unless you notify me. I will do my best to fix the error.

And please, be specific. Saying "The Fighter's Guild quest won't work" tells me nothing. Describe the problem. For example, "I got the fighter's guild quest to kill the Vampire ancient. When I went to collect my reward, I got told I failed." This explains the problem to me, and I can fix it.

=====

DISTRIBUTION

If you wish to distribute these files, go ahead. Just be sure to include this TXT, and I wouldn't mind knowing (you don't HAVE to tell me, though).

=====

FUTURE VOLUMES

If I get enough support, I will probably make a second volume of Daggerfall Xtra Quests. This will only happen with your support, so please TELL ME WHAT YOU THINK. If I don't receive any e-mail, I might just junk the whole idea.

Also, SEND YOUR QUESTS. Making a quest can be a very fun thing. I did it, didn't I? Your quest will be evaluated, and you will be notified if it will be put in.
